

Curtis Brent Morgan

January 20, 1956 - December 17, 2020

Curt Morgan passed away unexpectedly on December 17th in Richland, WA at the age of 64. Curt was born on January 20th, 1956 in Great Falls, Montana to Orville and Ivy Morgan. He graduated from Pasco High School in 1974.

Curt was very passionate about cars and motorcycles. He raced dirt bikes for Tri-Cities Honda in the 70s and his mother was often upset with him for stealing home items for his hobbies, such as the chrome vacuum tubes to make his exhaust for his race bikes. Curt's passion for racing motorcycles in his youth lead him to a 2nd place finish in the Canadian Nationals Motocross. He also did TV commercials for Kawasaki Motorcycles and Jet Skis. Curt once cut a cast off his broken leg so he could race. He could fix anything and if he did not get it right the first time, he would not give up until it was fixed properly; no jimmy-rigging!

Curt and Beth were married for 37 years, each having two children from previous marriages, together they brought a son into the flock. Later after all the kids had flown from the nest and started their own families, Curt and Beth bought a motorhome and a boat. One of their favorite places to visit was the Oregon Coast! They were planning their next trip which would have been exploring Montana. One of their other passions was fishing which worked out great because they lived not far from the Snake River.

They were fortunate enough to travel to Hawaii three times with Patrick and Judy Kazan. The Big Island was Curt's favorite. Curt and Beth had a wonderful life with many great and hilarious memories! They were true soulmates that were destined to be together in this life.

Curt is survived by his wife, Beth Morgan, children; Denton (Carra) Morgan, Monica Trattles, Chase (Erica) Morgan, he was blessed with two stepchildren, Trista (Chris) Lizotte, Creighton (Crystal) Hermes, his brothers Dana (Rachel) Morgan, Monty (Susan) Morgan, eight grandchildren and one great grandson as well as many nephews and nieces. Also, Bailey Nicholson Finney was like their adopted child since Chase and Bailey grew up together, considering each other siblings.

He is preceded in death by his mother and father, Ivy and Orville Morgan, his brothers, Clifford Morgan and Ron (Karen) Morgan and mother-in-law Mary Wilson.

Curt was the biggest little brother to all his brothers. Curt lived his life boldly and fearless.

Curt is in Heaven surely keeping his wife, kids and grandchildren under his watchful eye to keep them safe and guiding them with love.

Curt, we love you and we will miss you immensely; we now have a vacant spot in our hearts. We will see you in Heaven when God calls us. Make sure you send our love to all our loved ones in heaven.

The celebration of life will be held on January 2nd. For further details, please contact the family.

“ Thoughts and prayers to the Morgan family. Curt will surely be missed by many. We enjoyed our camping trips and we knew every time Curt and Beth would go, he would sure to bring his moonshine and would offer everyone a drink. I think he loved watching everyone get drunk and be there with a smile on his face. We are so sad to know that he won't be there when we go camping, but I know he will be there in spirit. When Curt and Beth would go camping they always would take enough food to feed an Army even though it was just the two of them. That's the one thing they had is they would always share and boy did he know how to cook up a great meal on his treager. Curt we will miss you and may you rest in peace my friend. Keep smiling!!!!

“ Thoughts and prayers are with the family from those of us at 100K Area who were lucky to know and work with Curt and call him a friend. My favorite memory of Curt was at a gathering at Alicia's house. Another guest brought her baby daughter who started fussing a little as time went on. Curt grabbed her up in to his arms and started talking to her and she immediately calmed and before long she was smiling and laughing. I think he held her until it was time to go. Such a kind and nurturing person and so generous with his time and talents.

“ See you on the other side Curtis.
You always were ahead of most of us.
Meet you at the Big Rally Point where the road goes on forever.
