

Marilyn Sue Hansen

March 27, 1955 - May 16, 2021

Marilyn Sue Hansen was born to Hattie Eileen and Edward Britt Perkins in Pasco, Washington. She was the seventh of eight siblings. She married the love of her life, Leonard Hansen Jr. in 1970 and together they had a daughter, Tami Weber, and two granddaughters, Jessica Wisse and Whitney Weber.

She and Leonard had a full life together, making memories on camping trips, spending time with family, and riding horses and motorcycles. They were married for 39 years until Leonard's passing in 2009. She was known for her selfless love, silly sense of humor, and unbelievable work ethic and determination.

She accomplished anything she set her mind to, letting nothing stand in her way. The majority of her career was spent at the Ford dealership, where she worked in 10 different departments over the course of 31 years. She made her way up to fleet sales manager, consistently out selling many other salesmen in the state. Being the only female saleswoman at the dealership brought its challenges, but she earned herself a reputation as being successful and well-respected.

She spent her retirement working on projects, gardening, spending time with family and friends by her pool, and taking up new hobbies, including square dancing.

She will be missed by many, including her family who she loved just as they were.

She is preceded in death by her parents, Hattie and Ed Perkins, her husband, Leonard Hansen, and her oldest sister Sharon Deen.

She is survived by her siblings Jim, Don, Ron, Tom, and Joe Perkins, and Margie Ricks; her daughter and son-in-law Tami and Mark Weber, her granddaughter and grandson-in-law Jessica and Travis Wisse, and her granddaughter, Whitney Weber.

A Celebration of Life service will be held Saturday, May 22nd at 2:00 p.m. at the Bend in

“ Bryan Lanning lit a candle in memory of Marilyn Sue Hansen

Bryan Lanning - May 22 at 06:06 PM

“ Marilyn was a great friend with a huge heart. She opened up her home when I needed a place to stay for a while. She loved her family, and went beyond for her friends. She had one of the strongest work ethics I've ever had the honor of working beside. Miss her little dogs running in to see me first thing in the morning when I opened my door, Rusty was always the first one in. Hanging out around her pool. She let me have my wedding in her back yard. She'll be definitely missed and her memory will be carried on by many whose lives she touched. If you knew her your life was better because of it. Rest in Peace Marilyn. Now you and your husband are together forever.

“ Marilyn was my link to family history. Between the two of us, we remembered names and places where Hansens, Fussmans, and Doughertys lived and played. She became like a sister to me, and I am missing her for so many reasons. Rest In Peace, my friend. I'll be having a shot of whiskey tomorrow to celebrate your full and generous life. Love, Debby

“ I never met Marilyn face to face but in our work lives we spoke on the phone a lot. She was always so friendly and kind and easy to talk to as we conducted business. Quickly on a first name basis, I always immediately recognized her voice as soon as I picked up the phone and vice versa. Even though it was always "work" our phone conversations were such an enjoyable part of the day. I know your hearts are filled with sadness now but know that many of us "strangers" have lives that were enriched by Marilyn.
