“ Paula will forever be in our hearts. We have a lifetime of memories of Paula running back and forth from her house to ours to hang out with Birdie and Betty Jean and eating all my dill pickles. On one occasion Paula and Birdie want to lose some weight so they got up early went on a walk and run around Kiwanis park when they returned they were starving so they me make them a big breakfast of pancakes bacon and eggs. Ibelieve they kind of defeated the purpose of the exercise.Paula would call me every New Years eve to wish me a HAPPY NEW YEAR. The last couple of years she would call me around 10:00 because she was too tired to stay up until 12:00. I will truly miss those calls. But most of all I will miss her loud voice, her beautiful smile that would light up the room Paula was one of a kind that will be missed but always in our heart. We love you Paula! Rest in peace!!
